Board of Directors, Geological Society of Connecticut, Make-up and Terms

Article III from bylaws

BOARD OF DIRECTORS

Section 1. The Board of Directors shall consist of eleven (11) members: ten (10) elected members and the immediate Past-President, if available to serve.

Section 2. Any Member shall be eligible to serve as a Director-. Only Directors are eligible to serve as officers. 1. The Board of Directors conducts the business of the Society and officers are Directors with defined responsibilities in the conduct of that business. Therefore, the officers serve the Board and the Board should elect those officers from within the ranks of the Board.

Section 3. (A.)The Directors of the Board shall be elected for a term of three (3) years each, with no term limit. In order to provide continuity of the Board, the terms of office should be staggered so that a few (2-4) Board members face reelection or new members may be elected each year. The goal is to consider no more than 4 Director positions per year.

(B.). The Board will elect, from its own ranks a President, Vice President, Secretary, and Treasurer to serve as officers and conduct its business. The Officers shall be elected for a term of two (2) years each. Each officer may not serve more than two (2) consecutive terms in any one office.

1. The term of office of a Director who is elected to be an officer of the Board, may be extended in cases where the term as an officer is longer than the remaining term as Director.
