The Geological Society of Connecticut

PRIMARY MEMBERSHIP AFFILIATIONS

- ACADEMIC COMMUNITY
- PROFESSIONAL CONSULTANTS
- GOVERNMENT AGENCIES
- ROCK & MINERAL CLUBS
- INDIVIDUALS INTERESTED IN GEOLOGICAL STUDIES

Membership Eligibility

Membership in the Society consists of Members, Student Members and Honorary Members, all with full voting rights in Society proceedings. A member is in good standing upon payment of all dues presently outstanding.

1. **Member** – open for all persons interested in geology of Connecticut.
2. **Student Member** – enrolled full-time in academic program and interested in geology.
3. **Honorary Member** – may be bestowed by the Board of Directors to an individual who has made a significant contribution to the Society.

Goals of the Society

SCIENCE AND GEOLOGY

The advancement of the science and profession of geology and its related branches by encouraging education, research and service, providing meetings, communications, and a common union of its members;

PUBLIC EDUCATION AND RESOURCES

Educate the public on the geology of Connecticut and promote the proper use and protection of the State's natural resources;

PROFESSIONAL CONDUCT

The advancement of professional conduct by those engaged in the collection, interpretation, and use of geologic data.

Membership Benefits
